RECONSTRUCTION AND LANDSCAPING PROJECT AT WEST PARISH CHURCH

Work has started this week on a reconstruction and landscaping project at the West Parish Congregational Church. When finished, the front of the church will have a new cedar porch and a terraced flagstone series of steps from the street level to the entrance. The steps are planned in short risers and gradual levels for the convenience of elderly people, a new blacktop walk will lead from the front porch to the Chapel entrance, and the corner between the church and the Chapel will be newly landscaped with appropriate trees and shrubs.

The project is a gift of appreciation from the William Bingham estate in fulfillment of a wish of his when he attended the West Parish Church.

It is expected that the project will be completed for Bachelors Sunday, June 7th. While the construction is going on, all those attending the church services are requested to use the Chapel entrance for all occasions.

WELL-BABY CLINIC

The last well-baby clinic of the season will be held at the Bethel Methodist Church next Tuesday morning, May 19, from 9 o'clock to 11 o'clock. It is requested that no child be brought who has been exposed to any communicable disease.

A street light has been installed in front of the post office.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The assessors have hired the Appraisal Associates to revalue the commercial, mercantile and professional property in town. The buildings and personal property will be revalued in the same way the mills were revalued last year. Buildings shall be listed on tax cards with the size, shape and functional data necessary. The replacement cost (current) and depreciated value will also be shown. The personal property will be listed with current cost and current value.

Most of the appraisal work will be done during the days of Friday and Saturday. The owner should be present whenever possible and will have to be present in most cases. The completion date of the revaluation job will be July 1, 1964, so the material can be used this year.

Some of the places with junked automobiles, have been cleaned up and some have assured me that they will take care of the matter in a short while. Any one who fails to clean up the junked cars will be getting a visit from me and a constable or the deputy sheriff. There are places that the law excludes such as places with less than three cars or parts of cars. I would like to make an appeal to these places to take care of the junked car or cars by disposing of them. The one or two junked cars in a yard are of practically no value and detract a great deal from the beauty of our highways. There is all kinds of room at the town dump for these junked cars and people will have a much better impression of the town if the junked cars are out of sight.

LOCAL SCOUTER RECEIVES SILVER BEAVER AWARD

Six Scouters in the Pine Tree Council, Boy Scouts of America, were honored Saturday night by being presented with the coveted Silver Beaver Award at the Council's 45th annual Fellowship Banquet at the Augusta Armory. They are: Harry Ames, Hallowell; Vernon Leavitt, South Portland; Rev. Harrison W. Dubbs, Gorham; Carroll E. Valentine, Bethel; Frank Farr, Kittery; Clement Steidl, Nashua, N. H., formerly of Rumford.

The Silver Beaver is the highest Scouting Award presented by a local council, and is a surprise award in that the recipients do not know they are to receive it until the actual presentation is made. Silver Beaver Awards are presented to men who have devoted many years to Scouting and have given outstanding service to boyhood. Rev. Oliver Bell of Round Pond was chairman of the 1961 Silver Beaver Committee.

Richard T. Wales, a Deputy Regional Scout Executive from Boston, was the speaker of the evening. His talk, "Character Counts," was an inspirational challenge to all Scouters present.

H. Merrill Lathie, Council President, presided at the meeting. Harvey Woodbury, Council Commissioner made the presentation for the Pine Tree Council. The Reverend Raymond Christ of Gardiner gave the invocation and the Reverend Oliver W. Bell of Round Pond gave the benediction.

Wood Badge Training Awards were presented to H. Loran Wood of South Paris and Leonard Dingle of Augusta by Carleton Morrill, chairman of the Leadership Training Committee of Pine Tree Council. The Wood Badge Training Program was instituted in 1919 by Sir Robert Baden-Powell, the founder of Scouting, who described it as "training to get men to think about the practice of Scouting to meet together, to exchange experiences, and to live together in the spirit of the Scout Oath."

Mr. Steidl and Mr. Valentine

Carroll E. Valentine of Bethel has served Scouting for over 25 years. As such he has been in regular attendance at Unit meetings, Camporees and other activities over the years. Some of his other community activities include the Church, Past President of the Bethel Lions Club.
